Hi Jenny, Palmer and Rachel,

I have attached this weeks update. I have included substantive comments for this reporting period only. If you would like this reported differently (cumulatively), please let me know and Ill revise/update for next week.

I have attached the substantive comments (pdfs) reported in this weeks summary, and will follow with those from past weeks.

There was no attachment for letter #4608the Associated General Contractors of Alaska (#4513) copied the Mining Association, who hit reply alland had the comment posted to the Docket with no attachment.

Also, I included the Petition Letter campaigns as a separate table (Table 3) as discussed last week with Palmer.

Please let me know if you have any questions.

Regards,

Craig
